## WIRRAL CARERS REGISTER

### CONFIDENTIAL

#### Why this information is important

- The information requested will help develop a register of known carers within Wirral by identifying people who care for someone else.
- The aim is to enhance support for people who have caring responsibilities and to ensure information and support is directed to you.
- The register may be used to consult carers when planning services.
- Occasionally information held on the database will be used to produce local and national statistics on carers; no personal details will be disclosed.
- Information about you will only be shared with the participating organisations for the purpose stated above.

Please take a couple of minutes to complete the details and return to Wired Carers Support, 5 St Johns Street, Birkenhead, Wirral. CH41 6HY
